Dynamic organisations need to know their people.

Approximately 80% of all Nationally Coordinated Criminal History checks are processed within 48 hours.

Precise Background Services is ACIC accredited and will detail all disclosable criminal history results that are recorded for an individual in any Australian jurisdiction.

All Nationally Coordinated Criminal History Checks are:

- Recorded in compliance with spent conviction legislation
- Include any current pending charges that have been initiated by the police
- May include traffic convictions.

Fast results, accredited and available online for peace of mind.

ACIC and police agencies work together to deliver the Service, aiming to process police checks within 10 business days, noting that:

15% are completed within 10 business days as they've been referred to one or more police agencies because an individual's name is similar to a person of interest.

5% may take 15 business days or more (depending on the complexity of the check).

Please note: Nationally Coordinated Criminal History Checks are used for employment purposes or appointing individuals to positions of trust and cannot be used for Immigration, Visa or IVF applications
